

Day Trip to Grisons: Viamala & Domleschg

Sunday, September 30, 2018

Grisons (Graubünden), the mountain region in the south east of Switzerland, is rich of natural and cultural beauties, many of them seem to be forgotten.

On our day trip we discover an area full of medieval castles and churches, and picturesque villages, embedded in a vast bucolic landscape of pastures, forests, and mountains. In short: on this smooth tour you will get to know a beautiful landscape with many hidden treasures.
